

Licensed Clinical Social Worker (LCSW)

Ready to start your career providing social work services to crime victims in the Hartford Area? Don't wait... Apply today!

JOB TYPE: Full-time (Exempt) - Onsite Candidates Only - Not Remote/Not telehealth

SUMMARY: Hartford Communities That Care (HCTC) is looking for a self-starting, experienced, Licensed Clinical Social Worker (LCSW) to join our team. The core qualities we look for in the ideal candidate include demonstrating high ethical standards, the ability to operate independently, and being passionate about providing the highest quality care. Cases are primarily working with crime victims, rehabilitation, trauma, women's health, and pediatric trauma.

Our mission here at HCTC is to create and support non-violent and drug free community in which youth and families can thrive. HCTC achieves its mission by forming partnerships with key community members and organizations, by coordinating critical services, and by identifying, developing, and implementing evidence-based programs for high rates of success.

RESPONSIBILITIES:

- Provide effective individual, family and/or group counseling/therapy
- Manage complex behavioral and psychosocial needs to facilitate optimal clinical outcomes
- Management and completion of the multiple client caseloads in the greater Hartford area
- Directly supervise the case management team to support Hartford Care Response Team
- Record and input detailed patient notes into an electronic medical record system while developing or maintaining treatment plans in conjunction with interdisciplinary teams
- Make referrals and collaborate with the care teams to ensure a comprehensive approach
- Assist in training and supervision of other clinical and case management professionals

REQUIREMENTS:

- Valid license as Clinical Social Worker with requisite state eligibility
- Excellent written and verbal communication skills
- Demonstrable ability to collaborate with a multidisciplinary team
- Strong propensity to engage with patients and create a restorative care environment
- Master's degree in Social Work, Psychology, or related field
- 2+ years of experience as LCSW preferred, will consider newly licensed – LCSW
- Qualified candidates need to be fully and independently licensed as a LCSW in the state of Connecticut.

What We Give:

- Group health, dental, disability, life, and other insurance options
- A W2 employment model with access to a 401k program with a 3% employer match
- Full clinical caseload with a supporting case management team
- PTO, Sick Leave, and Flexibility with your schedule

Compensation Range: \$70,000 to \$75,000 competitive based on experience

TO APPLY

Send an email to Joseph Wilkerson, Jr., COO at JWilkerson@hartfordctc.org with your resume and cover letter describing your relevant skills, experience, and why you are interested in this position.
